Press Printed Cards Overview

Press Printed Cards

Our Press Printed Cards are made using the highest quality press printing technology available. Choose from 125+ shapes, sizes, and formats, with 12 paper surfaces and optional 6 color printing.

12 Paper Surfaces

We offer 12 different paper surfaces, including UV Coated options, so you are sure to find the perfect paper for your project. We want your press printed items to look great but we also want to keep our environment looking great, so these papers include a number of options which are created using recycled materials, responsible forestry, and wind-power.

- ▶ Semi-Gloss Smooth with Optional UV Coating
- ▶ 110# Smooth Matte "Green"
- ▶ 10# Pearl Metallic with Optional UV Coating
- ▶ 90# Art Linen
- ▶ 80# Art Linen "Green"
- ▶ 80# Art Watercolor
- ▶ 80# Art Stipple "Green"
- ▶ 30# Smooth with Optional UV Coating
- ▶ 150# Bamboo

For paper descriptions, see page 19

125+ Shapes & Sizes

Choose from Flat, Single-Fold, Tri-Fold, Gate Fold, Accordion Fold, and Creative Edge Die-Cut formats in a wide variety of sizes.

Optional 6 Color Printing

Have your jobs printed with the traditional high quality of 4 color printing, or try our 6 color printing, which smooths out the dot pattern for increased depth of color and smoother gradients.

12 Envelope Options

Envelopes are included with 4x5½", 5x5", and 5x7" cards. Watercolor, Shine, Natural, or Foil Lined Envelopes and Return Address Imprinting are optional. Learn more on page 31.

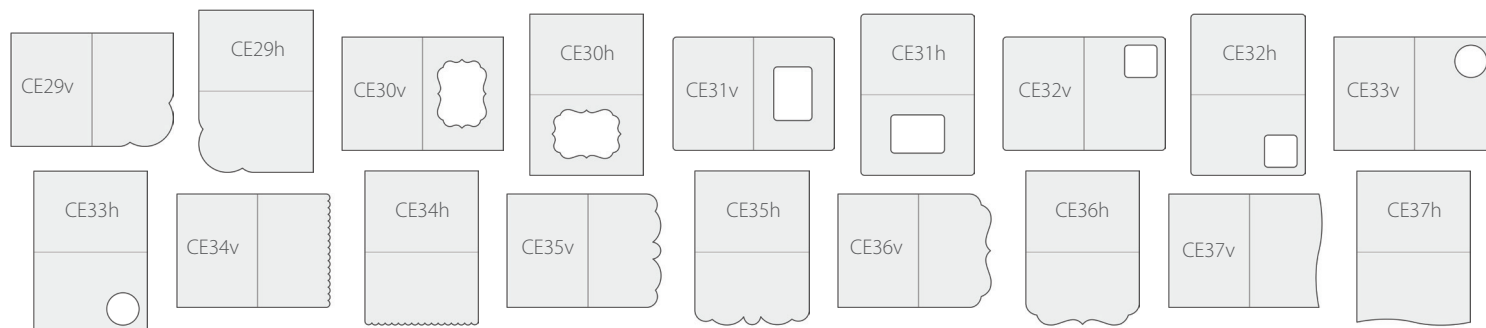

Available in Packs of 4 or 25

Press Printed Paper Types

- ▶ **Semi-Gloss Smooth** - This is our most popular paper for greeting cards. It is a 110# smooth paper with a glossy coating that really helps your images shine, especially when combined with our 6-color printing. Add UV Coating for additional gloss and protection.
- ▶ **Matte "Green"** - Be environmentally conscious AND look great! This beautiful smooth 110# paper is 100% recycled and is ideal for any press printed situation, from cards to calendars.
- ▶ **Pearl Metallic** - Enhance your greeting cards with the cool sparkle of ice. A great paper to make your images pop! Also available with UV Coating for added shine and protection.
- ▶ **Art Linen** - Our 90# linen textured paper adds style and elegance to your press printed products.
- ▶ **Art Linen "Green"** - The fine linen texture on this 80# paper adds a feeling of quality and elegance to your cards. This paper contains recycled fibers and is created using wind power.
- ▶ **Art Watercolor** - The fine art feel of our watercolor paper makes it a stunning choice for any image. The texture adds a unique depth to your cards.
- ▶ **Art Stipple "Green"** - A finely textured specialty paper for showcasing your images. This uncoated paper is great for folding cards, and it contains recycled fibers.
- ▶ **130# Semi-Gloss** - This heavier stock smooth paper is an excellent choice for flat cards. Also available UV Coated for added gloss and protection.
